What's the summer reading game? It's a challenge from us to your family to read as much as you can this summer!

How long does it last? Summer reading runs from June 26th to August 31st.

How can my family sign up? Go to dobbsny03.readsquared.com to register!

How do you track my reading? You earn 10 points for every minute you read and 500 points for every program you attend. For every 1000 points you earn, you can come to the library and pick out a prize!

Do I have read the books in this pamphlet? Nope! This is just a starting point for finding books about collective action and making the world a better place, in keeping with AllTogether Now. But you're welcome to read whatever you want all summer long!
